## On The Way to The NL/NHL

Top NHL players like Connor McDavid, Nathan MacKinnon, Nico Hischier, Timo Meier, and many more have already undergone the on-ice test multiple times and continue to challenge themselves to become even better.

You have the unique opportunity to compare yourself in ten on-ice tests with the top experts from the NHL. After the test, you will know where you stand and what your strengths and weaknesses are.

*A MUST for every  
Hockey Player!*

Thanks to our CHL/NHL data, you'll know where you stand among the top players. Additionally, you can compare yourself internationally with peers, and we provide you with targets in technical and skating aspects, so that you can become a top hockey player.

*Test data serves as motivation, is inspiring,  
and can be career enhancing!*

**1 Test Including Test Analysis Only Fr. 75.--**
